A Fortunate Woman.

Mr. Mary L. Baker, of Ovid, Mich., has reason to be very thankful. She was a great sufferer from heart disease for years. When she got better, had a sharp spell of pain in side, fluttering, faintness, etc. After taking two bottles of Dr. Miles' New Heart Cure, she says, "I am better than for 20 years. My mind and eyesight have improved greatly. I would like persons thus afflicted to use this great remedy." J. W. Gayle, druggist, recommends and guarantees it. Dr. Miles' work on *Heart Disease*, containing marvelous testimonial, free.

Educational.

The schools are again victorious. In the Forks of Elkhorn case the Superior Court decided in favor of the trustees. This is the fourth time this case has been decided in the trustees' favor.

The trustees of the City Schools have given the County Schools the privilege of holding their meetings in the City School building. Now let us have a good meeting next Saturday. We will have a regular programme for that day, but can spend an hour or so very profitably in arranging our plans for the summer campaign. Let all come. 10 a.m. is the hour.

The S. C. S. meets in Henderson, Ky. on the 24th, 25th and 26th of June next.

Franklin county should send a strong delegation and thus show that we are still interested in the great cause.

The railroad gives us one fare for the round trip. Let us make up a grand excursion party for the occasion.

They All Failed.

The following letter from Mr. W. A. Thompson, of Columbus, Wis., is particularly interesting: "My wife," says he, "has been treated for her head, brain and nervous prostration by those in New York, two in Chicago, one in Philadelphia, one in Cincinnati, and at the large institution in Buffalo for 18 months. They all failed. But one bottle of Dr. Miles' Restorative Nervine helped her wonderfully, and now she can be used in all kinds of chores, backaches, etc. Her nervous disturbances, fits, rheumatism, etc. Aak at J. W. Gayle's drug store for a trial bottle and Dr. Miles' new book on the Nerves and Heart.

LOUISVILLE TOBACCO MARKET.

FURNISHED BY GLOVER & DURRETT,
LOUISVILLE TOBACCO WAREHOUSE.

Sales on our market for the week just closed amounted to 3,432 hds., with receipts of \$1,905 for the same period. Sales on our market since January 1st amount to 45,911 hds. Sales of the crop of 1890 on our market date 29,462 hds.

The market for medium burley was a little irregular the first of the week, but since then the sales have been improving in price and classes stronger than they have been for some time past. From good to fine grades are scarce and are freely taken at satisfactory prices. The same applies to everything with color, except the lighter shades. The only sorts that remain dull and low are common house-burned cloudy leaf and dark trash. Old burleys have been scarce and prices are very much better.

The following quotations fairly represent our market for burley tobacco:

Trash (dark) or damaged tobacco	\$2 00@ \$3 00
Color trash	3 00@ 5 00
Cloudy leaf not color	5 00@ 10 00
Cloudy leaf	5 00@ 10 00
Common leaf	7 00@ 10 00
Medium to good leaf	10 00@ 18 00
Good to fine fillers	16 00@ 20 00
Select or wrapper leaf	20 00@ 27 50

Capt. Holloway III.

Capt. L. D. Holloway, Clerk at the Penitentiary, was attacked suddenly Thursday evening with a fainting spell, at his home on the corner of High and Clinton streets, and for a time it was thought he could not recover, but he rallied and was some better yesterday. The attack was caused by heart trouble. No man in this city has more warm friends than Captain Holloway, and it is earnestly hoped that he may soon be out again.

An Elegant Success.

The entertainment given to the members of the Constitutional Convention by the citizens of Frankfort on Thursday evening was in every way a very pleasant affair. There was a large crowd in attendance, the supper was first-class, the music for the dancing fine and every one present enjoyed themselves. The committee in charge managed everything splendidly and there was nothing to mar the pleasure of Frankfort's guests, who are loud in their praise of the treatment they received.

Nerve.

There is nothing like it. It is the foundation of all action. The man of nerve is a success. The man without it is a failure. Man is often overworked, suffering with nervous prostration and longing for something to restore them again to vigor and health. There is one medicine that will accomplish the desired result. Dr. H. C. Howell's Tea is the nervous prostration, making the weak strong and given nature a job by putting all the organs of the system into a healthy condition. It is the finest remedy known.

Dr. H. C. Howell's Tea and Nerve Tonic, is the greatest and Nerve Tonic, is sold at 25 and 50c at Phil. Carpenter's South Side drug store.

E. M. DRANE,
Chairman County Committee.

Sight is Priceless.

Mr. David Norton, of St. Paul, Minn., states that his son was entirely blind and had been kept in a dark room for years. He applied to the best physicians of the city to no purpose, and all had given him up, saying he would never be any better, when they began using what has proven to be the finest remedy in the world for the cure of Infantile Hydrocephalus, Dr. H. C. Howell's Household Oil Liniment. It was applied directly to the boy's eyes, which soon began to improve, and to-day his sight is entirely restored, and he is enjoying perfect health, owing to the use of the wonderful remedy of the world.

Dr. H. C. Howell's Household Oil Liniment. Sold by DRUGISTS.
Price \$1 per bottle. 6 bottles for \$5.
J. W. GAYLE, Druggist, Frankfort, Ky.

Go! Went! Gone.

The effort of Hon. Bennett H. Young to carry away our Capital and plant it at Louisville or Lexington was a failure, but we understand that his capture of our "Old Probabilities" is an assured success. Mr. E. C. Went, to whom we are indebted for all the rain, hale and snow that we have had and for precious little sunshine, has arranged to go with Col. Young to-morrow afternoon in his private car, on an expedition against the great silver-sided Tarpon of Florida. We hope Mr. Went's exodus from Frankfort will not prove a permanent abandonment and we wish the party better luck with the fish than Col. Young had with his Capital enterprise.

The advance of Salvation Oil has been a triumphal march from the beginning. It puts rheumatism to rout without apparent effort. Price 25 cents.

It is reported that famine threatens northern Russia, but it is a certainty that millions of colds will be bothering American people this winter. Against famine there is no protection, but for every cold there is a bottle of Dr. Bull's Cough Syrup. Sold everywhere at only 25 cents.

Burned Corn.

Five hundred bushels of corn in sacks, belonging to Mr. J. H. Told, folded upon the sandbar, below Hughes & Co.'s saw-mill, caught fire Monday morning and about three hundred and fifty bushels were destroyed.

"Away! Away! There is danger here! A terrible phantom is bending near; With no human look, with no human form, but beside thee—the haunter—Death!"

If there is one disease more than another that comes like the unbidden guest at a banquet, it is Catarrh. Insidiously it steals upon you, "with no name, no form, no shape," it gradually, like the octopus, winds its tentacles about you and crushes you. But there is a medicine, called Dr. Sage's Catarrh Remedy, that can turn you away from the monster, and turn the scythes' point of the deepest cutters of the mortal realm, roundly over, and give you a wonderful remedy other than the usual faith, a standing reward of \$500 for an incurable case of Catarrh in the head.

The Trials of Winter.

Winter is a trying period, even to those who have strong constitutions, but it is doubly trying to those who are weak and delicate, or who have a tendency to the various diseases that are bred and fostered in the stagnant atmosphere of closed and heated rooms. This system should be kept strengthened and toned up with a liberal course of S. S. S., the great blood tonic and purifier. It acts like a charm. It increases the appetite, soothes the nerves, and beautifies the complexion—in short, it makes life well worth living.

Catons Stock Farm.

Mr. A. L. Thomas, Sup't of Catons Farm at Joliet, Ill., remarks, "Enclose you amount for six bottles of Quinn's Ointment. As a rule I am conservative about saying anything, but after one year's trial I must confess that it will do all you claim for it."

A Popular Remedy.

For Epileptic Fits, Falling Sickness, Hysterics, St. Vitus Dance, Nervousness,

Hypochondria, Melancholia, Incapacity, Sleeplessness, Dizziness, Head and Spinal Weakness.

This medicine has direct action upon the nerve centers, allaying all irritability and increasing the flow and power of nerve fluid. It is perfectly harmless and leaves no unpleasant effects.

BOLD BURGLARY.

\$2,500 in Money and Jewelry Carried Off.

One of the most successful robberies ever committed in this city was perpetrated on Tuesday night. Some time after 12 o'clock on that night a burglar went to the residence of Mrs. Mary S. Hendrick, "The Terraces," on Wapping street, next to the Custom House, and effected an entrance by prizing open the shutters of a window to the dining-room and raising the sash. After getting inside the door of the dining-room leading into the hall was pried open, through which he passed and ascended the stairs to a front room on the second floor used by Mrs. Chapman Coleman, wife of the Secretary of the American Legation at Berlin, Germany, who is visiting her mother, Mrs. Hendrick, broke open a bureau drawer and carried off the following jewelry and money, valued at \$2,500:

1 pearl ring, enamel blue, large pearl.

1 solitaire ring, diamond, with J. S. H. from C. N., 1889.

1 cluster diamond, with Jennie S. Hendrick, Aug. 23.

1 sapphire and diamond ring, with three sapphires and 2 diamonds.

1 turquoise, surrounded with diamonds.

1 small diamond, blue enamel.

6 100-mark pieces in paper, German.

20 10-mark pieces, in gold.

1 gold snake bracelet, with diamond eyes.

1 leather purse, silver clasp, marked J. S. H. (Mongram).

1 large blue enameled ring (looks like turquoise), enamel gold leaf, with diamonds in center.

1 set silver jewelry.

1 small breast pin, set in small diamonds and small pink stones.

1 scarf pin, small head of woman, set in gold.

1 old-fashion set jewelry (gold).

1 gold locket and heavy gold chain.

1 pair flat bracelets, Grecian pattern, of black enamel.

Large cuff buttons, marked J. S. H.

So quietly was the work done that no one in the house was disturbed and the robber had no difficulty in escaping with his booty. He had evidently acquainted himself with the house and was posted as to the rooms occupied by the different members of the family.

Mrs. Coleman was sleeping in an adjoining room with her mother, consequently the robber was not disturbed in his work, the room being unoccupied. Nothing was missed from any other portion of the house and it is supposed the thief knew where to find what he wanted, went and got it without disturbing anything else.

Chief of Police Jeffers was notified early the next morning of the loss and immediately went to work upon the case and every effort made to secure the arrest of the burglar. He took the 10 o'clock train for Louisville, taking with him a description of a man, dressed in light clothes, who had been seen by the colored coachman watching the house closely early in the evening before the robbery. Securing the services of several Louisville detectives, he visited the pawn shops of the city and soon found several of the rings, and at noon on Thursday a man who gave his name as Charley Johnson was arrested at the "English Kitchen," on Jefferson street, by Detectives Dailey and McCorkle, and all

the balance of the stolen property, together with a set of burglar's tools of the finest quality found in his possession. The thief was brought to this city Thursday afternoon and lodged in jail. He told the officers that he was from Brooklyn, New York, and was wanted in Cincinnati and Louisville for burglaries committed in those cities.

Johnson is a young-looking fellow, with black eyes and hair, face clean shaven, and to an inexperienced eye does not look like the hardened criminal he evidently is. He has been recognized by several persons here as a man who was seen to leave on the six o'clock train for Louisville Wednesday morning.

His prospects are exceedingly flat, for a long term in the Pen.

The promptness and certainty of these cuts have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, headache and whooping cough, and is the most effectual remedy known for these diseases. 50 cent bottles for sale by J. W. GAYLE.

Louisville Satisfied.

Frankfort retains possession of the capital, and this is nine points of the 10. The Thoroughbred and Standardbred during the contest, and it will shed no tears over the result. By a vote of 57 years to 34 days, the convention has decided that

The seat of Government shall continue to remain in Frankfort, and removed by a vote of two thirds of each house of the first General Assembly which convenes after the adoption of this Constitution."

Interpreted in the light of our present belief and information, this arrangement is a wise arrangement, located in Frankfort, and we are not sure that we would or could, had the matter been selected, be delegated to us, have discovered any where in the country a more appropriate or more eligible site.

Frankfort is a dear old girl, with most winning ways, and here's looking at her through eyes lit with the softened light of an old love, rather than ablate with the fierce fires of a new-born envy.—Louisville Times, of Thursday.

For years the editor of the Burlington Junction (Mo.) Post has been subject to cramp colic or fits of indigestion, which prostrated him for several hours and unfitted him for business for two or three days. For the past year he has been using Chamberlain's Colic, Cholera and Diarrhea Remedy whenever occasion required, and it has invariably given him prompt relief. 25 and 50 cent bottles for sale by J. So quietly was the work done that no one in the house was disturbed and the robber had no difficulty in escaping with his booty. He had evidently acquainted himself with the house and was posted as to the rooms occupied by the different members of the family.

Mrs. Coleman was sleeping in an

adjoining room with her mother, consequently the robber was not disturbed in his work, the room being unoccupied. Nothing was missed from any other portion of the house and it is supposed the thief knew where to find what he wanted, went and got it without disturbing anything else.

Chief of Police Jeffers was notified early the next morning of the loss and immediately went to work upon the case and every effort made to secure the arrest of the burglar.

He took the 10 o'clock train for Louisville, taking with him a description of a man, dressed in light clothes, who had been seen by the colored coachman watching the house closely early in the evening before the robbery. Securing the services of several Louisville detectives,

he visited the pawn shops of the city and soon found several of the rings, and at noon on Thursday a man who gave his name as Charley Johnson was arrested at the "English Kitchen," on Jefferson street, by Detectives Dailey and McCorkle, and all

Barnum Dead.

P. T. Barnum, the veteran showman, died at his home in Bridgeport, Connecticut, on Tuesday, in the 81st year of his age.

Death of James Duguid.

Mr. James Duguid died at his home near Ghent, Carroll county, on Monday, after a brief illness. Mr. Duguid was a half brother of Mrs. Lee A. Owen and a cousin of Messrs. W. J. and W. H. Lewis, of this country.

PROGRESS.

It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature, and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known. 30-1m.

Annual Election.

Frankfort Commandery, No. 4, Knights Templar, meets in regular monthly conclave on Thursday evening, at 7:30 o'clock. The regular annual election of officers will be held and other business of importance transacted. A full attendance of the Sir Knights is desired.

What Shall the Harvest Be.

Why! what can it be, but suffering and sorrow, disease and death, if you neglect the symptoms of a disordered liver? Dr. Pierce's Golden Medical Discoveries tell us all other remedies will add to your distress than it must either benefit or distract the patient, or the money paid for it will be promptly returned. It cures all diseases arising from deranged liver, or from impure blood, as biliousness, liver complaint, all skin and scalp diseases, salt-rheum, tetter, scrofulous sores and swellings, fever-sores, hip-joint disease and kindred ailments.

LECTURE.

Mr. Wm. Blakie, of New York, will deliver his celebrated lecture, "How To Get Strong," At the Forks of Elkhorn Baptist Church, near Duckers' Station, on Monday evening, April 20, 1891, at 8 o'clock. The price of admission will be 25 cents.

F. & L. U. MII.

The Farmer's and Laborer's Union of the Peak's Mill neighborhood have formed a joint stock company for the purpose of erecting a steam flour mill in the town of Peak's Mill, have let the contract and the foundation for the structure is being laid. The mill is to be supplied with all of the most improved machinery and is to have a capacity of fifty barrels a day.

Protect Your Health.

Cold and mortise combined have a powerful effect upon the healthy organs, and the digestive and excretory processes are apt to be more active, and the body more robust. The same is true, also, of the excretory functions. The bowels are often sluggish, and the body becomes fatigued and debilitated, matter at this season. The system, therefore, requires opening up a little, and some purgatives and rectifying agents, such as soap and most thorough tonic and alterative that can be had. Persons who wish to escape the rheumatic twinges, the dyspeptic agonies, the toothaches, the neuralgic fits, the bilious attacks, and the nervous visitations, so common at this time of the year, will do well to take a dose of Ayer's Soap, a powdered vegetable stomachic and invigorant. It improves the appetite, strengthens the stomach, relieves the spleen, and renovates the whole physique.

THAT TERRIBLE COUGH.
In the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening or sweat at night, all or any of these things are the first stages of consumption. Dr. Acker's English Cough Remedy cuts these fatal symptoms, and is sold under a positive guarantee by J. W. GAYLE, Druggist.

THE GRAND CONCLAVE.

Meeting of the Grand Commandery of Knights Templar.

The forty-fourth annual conclave of the Grand Commandery of Kentucky, Knights Templar, will be held in this city on the 27th and 28th of May. The general committee of Frankfort Commandery, No. 4, have been busily engaged in perfecting arrangements for the meeting, which are now complete, and everything is in readiness.

Handsome invitations have been sent out to all the Commanderies of the State and the indications are that the attendance of unformed knights will be exceedingly large. DeMolay and Covington Commanders have already engaged quarters for about fifty knights each and their bands of music, and Louisville, No. 1, Mayville, No. 10, and Newport, John C. Breckinridge, of Carlisle, Lexington, Bowling Green, Russellville, Henderson, Paducah, Mt. Sterling and Owensboro Commanders will also be here in force, and the parade on the 27th will be one of the finest sights ever seen upon our streets. It is hoped all of our business houses will be decorated and that the city will put on her best bib and tucker to welcome these pilgrims, who will "travel from afar" to partake of our hospitality.

The following programme has been arranged for the meeting:

WEDNESDAY, MAY 27TH.

At 9:00 a. m. Commanderies assemble at their headquarters and await the orders of the Grand Captain General.

10:00 a. m. Escort R. E. Grand Commander to First Presbyterian Church, where Grand Commandery will attend the Office of Public Worship for Knights Templar, the sermon by Past Grand Commander Rev. J. M. Worrell, D. D., of Danville.

During these services several beautiful anthems will be rendered by some of our best singers.

12:00 m. Grand Commandery assemble at Hall of House of Representatives. Address of welcome by ex-Gov. and Sir J. Procter Knott. Response by R. E. Grand Commander.

1:30 p. m. Reception of Sir Knights and ladies at Headquarters of Frankfort Commandery, Sower & Ahler's Hall, No. 309 Main Street.

8:00 p. m. Reception at Executive Mansion, tendered by His Excellency Gov. and Sir S. B. Buckner to the Grand Commandery of Kentucky.

THURSDAY, MAY 28TH.

9:00 a. m. Grand Commandery will assemble at Hall of House of Representatives.

8:00 p. m. Public Installation of Grand Officers at Opera House by Sir W. LaRue Thomas, Very Eminent Grand Generalissimo of the Grand Encampment of the United States, assisted by R. E. Sir William Ryan, Past Grand Commander of Kentucky, as Grand Marshal.

A splendid musical programme has been arranged by Mrs. Alice Orbison, which will be rendered during these ceremonies.

On Friday morning the Grand Commandery will go to Latrange, by invitation, to unveil the monument which has been erected by the Masonic Fraternity over the remains of the late Dr. Rob Morris, poet laureate of Freemasonry in the world, and Past Grand Master, Past Grand High Priest and Past Grand Commander of Kentucky.

The headquarters of Frankfort Commandery, No. 4, at Sower & Ahler's Hall, will remain open night and day during the session, and the Knights and their ladies will be served at all hours with a first-class meal, the menu cards for which have been prepared and contain all that the appetite can call for. The meeting promises to be exceedingly pleasant to all who may attend.

We are requested by Mr. James M. Safell, Chairman of the Committee of Invitation, to say that if any Knight

Templar has lady friends he wishes invited, if he will leave a list with him he will take pleasure in sending the invitations.

Messrs. Sower & Ahler will have on hand a large stock of Templar banners and other decorations suitable for the occasion, which will be supplied to our people at lowest prices.

For a number of years I have been subject to violent attacks of influenza, rheumatism, etc., which generally lasted about two months. On the first of this month I was attacked in the knee and suffered severely for two days, when I procured a bottle of Chamberlain's Pain Balm and it removed the pain instantly. I would most cheerfully recommend it to those who are similarly afflicted everywhere—R. D. WHITLEY, Martindale, N. C., Feb. 1888. Mr. Whitley is a very prominent man in this and his district and was very widely known as he suffered such a severe pain. W. M. Houstoun & Co., Merchants, Martindale, N.
